**ARC Group Worldwide, Inc. Provides Update on Form 10-K Filing**

**Longmont, CO., October 13, 2014**/PRNewswire/--ARC Group Worldwide, Inc. (the “Company”) (NASDAQ: ARCW), a leading global provider of advanced manufacturing and 3D printing solutions, today announced that it is delaying the filing of its Annual Report on Form 10-K for the fiscal year ended June 30, 2014 with the Securities and Exchange Commission (“SEC”) beyond the October 14, 2014 extended filing due date.

As the Company previously disclosed in its Notification of Late Filing on Form 12b-25 filed with the SEC on September 29, 2014, the Company delayed filing its Annual Report on Form 10-K because of unforeseen delays in the integration of financial information of the businesses acquired by the Company during the fiscal year ended June 30, 2014. Prior to filing the Form 10-K, the Company also desires to finalize certain waivers and amendments currently being negotiated with RBS Citizens, N.A. (“RBSC”) with respect to the Company’s \$90 million credit facility. Management is diligently focusing on these matters and anticipates completing the fiscal year end audit, obtaining the RBSC waivers and amendments, and filing the Form 10-K planned as soon as possible. The Company does not expect that the delays will result in any changes to previously disclosed financial information regarding the fiscal year end June 30, 2014 or the preliminary results regarding the first quarter ended September 28, 2014.
