IMPORTANT INFORMATION

The forward-looking statements contained in this press release are based on ARC management's current expectations, estimates and projections about future events. These include, but are not limited to, statements, if any, regarding business plans, pro-forma statements and financial projections, ARC's ability to expand its services and realize growth. All such "forward-looking statements" are made within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, and are subject to risks and uncertainties. These statements are not historical facts or guarantees of future performance, events or results. Such statements involve potential risks and uncertainties, and the general effects of financial, economic, and regulatory conditions affecting

our industries. Accordingly, actual results may differ materially. In particular, estimates regarding our anticipated quarterly performance are based upon currently available information; however, unpredictable events may arise before the closing of each quarterly financial period that could negatively affect actual quarterly performance outcomes. These events may include orders that are withdrawn, delayed or returned, unexpected costs, change in currency exchange rates, and/or quality, workforce, and inventory issues. ARC does not have any obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. For additional factors that may affect future results, please see filings made by ARC with the Securities and Exchange Commission ("SEC"), including its Form 10-K for the fiscal year ended June 30, 2014, Form 10-Q for the period ended September 28, 2014, and Form 10-Q for the period ended December 28, 2014, as well as our current reports on Form 8-K filed from time-to-time with the SEC.
